

SASHWA

RIVER OF STARS

THE QUIET WILD

Retreat

Christi Steyn | 7-11 July 2026

A peaceful retreat on the banks of the Olifants River in South Africa's Greater Kruger. Here, the rhythm of nature sets the pace, elephants move quietly through the floodplains, the river shimmers in the sunlight, and time slows enough for you to breathe again.

At Sashwa, you'll be cared for in every way:
from nourishing, sustainable meals crafted by
Chef Arabella Parkinson, to quiet moments by
the river or under a sky filled with stars. This is a
space to rest, to listen inwardly, and to
remember what it feels like to simply be.

This retreat is led by Christi Steyn – poet, yoga teacher, and retreat host, and is designed to help you reconnect with yourself through movement, creativity, and nature. Each day offers a gentle balance of yoga on the open-air deck, writing sessions that invite honest self-expression (no poetry experience needed), and guided safaris that remind you how alive the world really is.
